**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR
CONFIDENTIAL CLASSIFICATION OF LATE FILED DEPOSITION EXHIBITS**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in late filed deposition exhibits 4 and 6 to the deposition of Robert E. Barrett ("Barrett Late Filed Deposition Exhibits 4 and 6"). In support of its Request, FPL states as follows:

1. The deposition of Robert E. Barrett took place on August 3, 2016. At that time, Mr. Barrett was asked to provide certain information as late filed deposition exhibits. His late filed deposition exhibits 4 and 6 contain confidential information. Accordingly, FPL files this request.

2. The following exhibits are included herewith and made a part of this request:

a. Exhibit A consists of a copy of Barrett Late Filed Deposition Exhibits 4 and 6.

b. Exhibit B consists of an edited version of Barrett Late Filed Deposition Exhibits 4 and 6 on which all information that FPL asserts is entitled to confidential treatment is redacted.

c. Exhibit C is a table containing an identification of the file provided in Exhibit A. Exhibit C also references the specific statutory bases for the claim of confidentiality and identifies the declarant who supports of the requested classification.

d. Exhibit D contains the declaration of Robert E. Barrett in support of this Request.

3. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determined that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described more fully in the declaration included as Exhibit D, Barrett Late Filed Deposition Exhibits 4 and 6 relate to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), Fla. Stat.

5. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for

at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and declarations included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

John T. Butler

WRITTEN DECLARATION OF ROBER E BARRETT, Jr.

1. My name is Robert E. Barrett, Jr. I am currently employed by Florida Power & Light Company ("FPL") as Vice President, Finance. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents referenced and incorporated in FPL's Request for Confidential Classification. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain competitive business information regarding our financial forecasts.
