A

s a resident of Indian River Shores, Florida, I request

that you redraw the service boundaries so that our entire town can be served by FPL. I volunteered and served as a Captain in the United States Air Force from 1968 until 1973, serving two tours in Vietnam, and receiving the Distinguished Flying Cross for Heroism, among other acknowledgements. I volunteered because i believe in the principles of the United States, one of which is "no taxation without representation."

Please approve our request to the PSC so that we may be represented, so that my service means more than the casual "thanks for your service." The residents of Indian River Shores are being overcharged and mistreated by Vero Beach and we have no voice. Please redraw the boundaries so that our entire town can be served by FPL.

Thank you,

John A. Steiner
