Hi Angela –

Thanks for your note re disposition of Doc No 05847-16, staff's draft workpapers for his year's review of FPL project management internal controls.

FPL's copy of the staff draft workpapers, which were filed as Doc No (05847-16) with a request for confidentiality and subsequently withdrawn, should be returned to the company.

Thanks.

- David

Subject: Notice of Withdrawal of Request for Confidential Classification

Good afternoon David,

On 8/3/16, FPL filed Confidential Document 05847-16 (Audit Report No PA-16-01-002), however on 8/26/16, FPL filed a notice to withdrawal of its request for confidential classification. Please advise whether DN 05847-16 should be declassified and added in Docket 160009-EI or should the document be returned to the source.

Sincerely,

Angela M. Charles
