I live in Indian River Shores, FI and would like to be able to have FPL as my electric company. I am tired of Vero Beach charging me excessive prices and providing poorer quality of service. I have had FPL in the past and found them to be a far better provider. I do not live in the City of Vero Beach so I have no input and decisions are made without my being able to express my opinion. We can't use the services of the Office of Public Counsel. The PSC has not reviewed the agreement made 28 years

ago an much has changed since then. We now need to have the decision made back then overturned. I want to be able to go back to being a FPL customer, paying reasonable rates and having good service.
