Dear PSC Commissioners,

I am writing you as a member of the PSC to urge the Commission to vote for the transfer of electric power from Vero Beach Utilities to FPL at the termination of the Indian River Shore's contract with Vero Beach. For years, we, like many IRS residents, have paid a 30 % premium for the electrical services compared to what FPL charges other IRS residents. The city of Vero Beach has unduly benefitted from this arrangement which is totally unfair and probably unconstitutional. FPL is much more efficient and we captives of Vero Beach Utilities deserve this change.

Thanking you in advance,

James L. Crawford
