Katherine,

At Agenda, Chairman Brown asked how much Primus owed in RAFs but Staff did not have the figures with us. To answer the Chairman's question, as of today, the amount of RAFs, plus penalty and interest owed by Primus is \$798.00.

I was correct when I stated at Agenda that Primus did not file a RAF return this year. When staff contacted the Company in February about its delinquent RAFs, Primus stated that it had no "gross" revenues due to bankruptcy. Thus, the company was assessed the minimum RAF amount of \$600.00.

Please let me know if the Chairman has any additional questions.

Thanks,  
Kelley
