Re: Request for Revisions to Program Standards

Dear Mr. Bernier:

On August 20, 2015, the Commission issued Order No. PSC-15-0332-PAA-EG in Docket No. 150083-EG, approving the Demand Side Management (DSM) Plan for Duke Energy Florida (DEF) and granting staff administrative authority to approve program standards. DEF filed program participation standards on October 16, 2015 which were administratively approved on October 29, 2015. On December 21, 2015, DEF filed a letter requesting certain revisions to the approved program standards, which were administratively approved on December 22, 2015.

On August 30, 2016, DEF filed a letter requesting approval of modifications to DEF's Better Business and Florida Custom Incentive DSM Program Standards. On September 12, 2016, DEF filed a revision to correct a scrivener's error in the Better Business DSM Program Standards. Commission staff has reviewed the revisions and has determined them to be consistent with the DSM Plan approved by the Commission in Order No. PSC-15-0332-PAA-EG. Staff requests that DEF notify the Commission prior to any additional changes being made to the program standards as filed.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Ballinger".

Tom Ballinger, Director
Division of Engineering
