The combined statewide average for investor owned and municipal utilities s \$118.85 per 1000 kWh. Vero Electric's rate is \$117.58. Still, there are many utilities charging less than Vero Beach, and City leaders insist they believe rates will continue to come down, with a likely cut in rates coming in January. Meanwhile, Florida Power & Light is seeking approval for a \$1.3 billion rate increase. NEWS ANALYSIS To listen to Indian River Shores officials, Vero Electric's rates are unconscionable, unjustifiable, oppressive, the result of gross negligence, and an abuse of monopolistic privileges. Ironically, Shores leaders [More...](#)
