Re: Filing of Peace River Electric Cooperative Tariff Changes

Dear Ms. Stauffer:

Peace River Electric Cooperative, Inc. filed tariff changes on September 13, 2016 set to be effective November 1, 2016. Since the filing and approval by the Commission, a typographical error between the tariffs and the filing narrative and supporting documents was noticed.

Rates RS-DG (Sheet 8.40) and GS-DG (Sheet 9.30) were filed with a Facilities Use Charge of \$32.50. The narrative and supporting documents had the Facilities Use Charge set at \$32.00. Attached are revised sheets for sheet 8.40 and sheet 9.40 setting the Facilities Use Charge at \$32.00 for both tariffs.

Should the commission staff have questions regarding the filing, please contact Tucker Lemley, Vice President of Finance and Administration, at (863) 767.4634 or [tucker.lemley@preco.coop](mailto:tucker.lemley@preco.coop).

Sincerely,

Randall W. Shaw
