Comments:

Please do not give FPL permission to build gas burning plants. They will make people sick. Give them permission to build solar powered plants. That's the best future for Floridians!

Dear Ms. Richey:

Thank you for contacting the Florida Public Service Commission.

In order to process your protest we need to know if you are a current customer of record with Florida Power & Light.

It would be beneficial if you could provide the following information:

- The address on the account
- The customer's mailing address

You may send this information to me via e-mail at contact@psc.state.fl.us

Sincerely,

Ruth McHargue

Note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your e-mail message may be subject to public disclosure.
