Mr. Robert L. McGee, Jr. ,

I am in a process to review Gulf' 2013 Depreciation Annual Status Report. It is the first time for me to review your Company's depreciation schedules. I am trying to assign the depreciation/amortization rate prescribed in Attachment C of Order No. PSC-10-0458-PaAA-EI to each individual account of the attached file but could not make a match.

Would you kindly please update the Plant Balance schedule of the attached file by inserting a column named "Depreciation/Amortization Rate" in front of column "Balance First of Year," so that the depreciation/amortization rate used by the Company for each individual account in preparing its Status Report can be clearly seen. Thank you very much.

Kind regards,

Jenny Wu
