**RE: Gulf Power - McDavid FL
Septic Tank Removal**

Dear Mr. Evans:

Gulf Power acquired property in north Escambia County during May 2009 thru November 2011 for a proposed future generation project site. The proposed project site is located in McDavid, FL approximately 3.2 miles west of Highway 29

Housing on several of the parcels has been removed. Gulf Power would now like permission to abandon the septic tanks and back fill the excavation holes. Applications to abandon the septic tanks are attached.

If you have any questions regarding this information, please give Ashley Jansen a call at (850) 444-6141.

Sincerely,

A handwritten signature in black ink that reads "Mike Markey".

Richard "Mike" Markey
Land and Water Programs Manager
