Bryan,

Sorry I didn't get back with you sooner. I have been in Virginia. I escaped just before the blizzard hit.

This is a Type II facility so the permit renewal fee is \$3,000.

I will call Dominic tomorrow to schedule inspection.

Thanks,

Tom

Tom,

Please provide me with the amount of the check to FDEP for the renewal so I can put some internal paperwork together to ready AP for a check at the appropriate time. Thanks.
