Hello,

Please take note that this rate increase is outrageous. It is going to put a hardship on many of the middle class families who are already struggling. This should NOT be passed. If you have any consideration please review the increases in Seminole County who will be taking the largest increase.

It should be reviewed and denied. If it was your family you would request the same. A 120% + increase feels like there is blood in the water and someone is or has gotten a personal payout to get this passed. Wrong, wrong wrong.
