

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Leonard Nero

Electric Utility Provider : FPL

Zip Code : 33401

Category : Power restoration time

Comments : We live four blocks from downtown WPB. A transformer fuse kicked out. It took five full days to put the fuse back in its holder. Seems a bit long for the effort involved to restore power to an entire block.
