DOCKET NO. 20170001-EI  
ORDER NO. PSC-2017-0403-CFO-EI  
ISSUED: October 23, 2017

ORDER GRANTING GULF POWER COMPANY'S REQUEST  
FOR CONFIDENTIAL CLASSIFICATION (DN 08137-2017, X-REF. 07737-2017)

On October 4, 2017, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Gulf Power Company (Gulf) filed a Request for Confidential Classification of information provided pursuant to Audit No. 2017-048-1-1 (Request) (Document No. 08137-2017, x-ref. 07737-2017).

Request for Confidential Classification

Gulf contends that the information provided pursuant to Audit No. 2017-048-1-1 contains information of a confidential nature, which is proprietary confidential business information within the meaning of Section 366.093(3), F.S.

Gulf contends that the information is proprietary and confidential business information within the meaning of Section 366.093(3), F.S. This information is intended to be and is treated by Gulf as private, and its confidentiality has been maintained. This information consists of Commission staff's work papers associated with its review of Gulf's August 2016 through July 2017 hedging transactions, including pricing and target ranges. Disclosure of this information would adversely impact Gulf's ability to negotiate the best prices for natural gas and could cause counterparties to refuse to conduct business with Gulf. Thus, Gulf contends that this information is protected by Sections 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or service on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information continues to satisfy the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above appears to be information concerning hedging transactions, targets, and volumes, the disclosure of which could impair the competitive business of both Gulf and its counterparties. Thus, the information identified in Document No. 08137-2017, x-ref. 07737-2017, shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Gulf or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Ronald A. Brisé, as Prehearing Officer, that Gulf Power Company's Request for Confidential Classification for portions of Audit No. 2017-048-1-1 (Document No. 08137-2017, x-ref. 07737-2017), is granted. It is further

ORDERED that the information in Document No. 08137-2017, x-ref. 07737-2017, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Ronald A. Brisé, as Prehearing Officer, this 23rd day of October, 2017.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
