**Re: Application for a Transfer to Water Certificate No. 577-W and Wastewater Certificate 498-S  
Held by Heather Hills Estates Utilities, LLC Docket No. 20170151-WS**

To whom it may concern:

In 2010, we purchased the Heather Hills Golf Club and re-named it Greens of Manatee Golf Course Inc. At that time, as well as today, our water is supplied by Manatee County Utility Department. We are supplied with water only since we have a septic system.

I am not familiar with the "Grandfather Certificate" of 1967 or the transfer from Heather Hills Utilities in 1985 to the Manatee County Utilities and do not dispute any of those facts but can assure you the Golf Course is not, or has not, been tied to Heather Hills Estates or its Utility Company since our purchase in 2010.

We named our golf course after the great county in which it is located and are very pleased with the service we have received from Manatee County Utilities. With all due respect, we hope you will allow us to stay with Manatee County Utilities for our water needs.

Respectfully,

For the Board of Directors

Tom L. Ladd, Treasurer/Manager  
Greens of Manatee Golf Course Inc.
