In re: Petition for rate increase by Florida City Gas. | DOCKET NO. 20170179-GU

DATED: March 21, 2018

FLORIDA CITY GAS'S RESPONSES TO STAFF'S THIRD DATA REQUESTS
ON STIPULATION AND SETTLEMENT

Florida City Gas's (FCG) responses to Staff's Third Set of Data Requests are as follows:

1. Paragraph XII, on page 11, of the proposed Settlement Agreement, states "A storm surcharge in effect without approval of the Commission shall be terminated at the time this 2018 Agreement is terminated pursuant to Section VII hereof." Please describe a situation in which the Parties envision the Utility having a surcharge that has not been approved by the Commission.

FCG Response:

The Company does not anticipate or envision a situation in which a storm surcharge would be in effect without Commission approval. The language referenced in the data request addresses the unlikely, converse situation that could otherwise be left unclear as a result of the preceding sentence in the Settlement Agreement, which specifically addresses what would happen to a Commission-approved storm surcharge in the event that the Settlement is terminated. This language is identical to language in the Settlement and Stipulation approved in TECO's 2017 rate case by Order No. PSC-2017-0456-S-EI.
