Re: Docket Nos. 20170235-EI and 20170236-EU – FPL and Vero Beach purchase and sale

Dear Mr. Slater:

I am writing in response to your August 9, 2018 letter to the Commission/ATTN: Chairman Graham. In your letter, you requested that you and your residents have the opportunity to speak during public comment at the hearing.

As required by Florida law, the Commission will be holding its *de novo* evidentiary hearing for Docket Nos. 20170235-EI and 20170236-EU on October 9 and 10, 2018. The Commission will set aside time for a public hearing to hear public testimony from individuals who are not parties to the proceeding. The Chairman will set a time limit for all speakers as well as require them to not be repetitive and to address only the issues before the Commission. The requirements and the time of public participation will be noticed prior to the proceeding so you will know the time and procedures before you arrive in Tallahassee. Please feel free to call me if you have any further questions.

Best Regards,
