CUSTOMER COMMENTS

Even 10% increase is absurd when the cost of living index is only 1.1%. In June they got an automatic increase as they have every year. They have asked for up to 20% increase and you will approve 15% and we are suppose to feel wonderful it wasn't the 20%.

This is a monopoly. We do not have another water utility to go to. Our retirement community is at "your" mercy.

I pay more for water per month than electricity?
