Subject: Docket #20200226-SU

To Who It May Concern:

My husband and I are property owners on Little Gasparilla Island. Have been here 42 years. 9622 Pieces of Eight.

We have not received no relevant information regarding the proposed central sewer, including the proposed rates, connection fees and the type of system intended for installation.

I request that EU's request for bifurcation and a temporary waiver be denied. This is totally unacceptable for the residents that live on Little Gasparilla Island.

Thank you
