Subject: Utilities, Inc. of Florida – Docket No. 20200139-WS

Hello,

I would like to have a formal comment recorded regarding Utilities Inc of Florida rate increases Docket No. 20200139-WS.

As a resident in Seminole County, I object to the proposed rate increase. Compared to my previous water utility company in Altamonte Springs, the rate differences are night and day. These rate increases are unfair and it's obvious investors do not care about the greater good.

Please let me know if anything else is needed.

Sincerely
David Arraya
