Docket # 20200226-54

CORRESPONDENCE
1/25/2021
DOCUMENT NO. 01536-2021

To Whom It May Concern:

Please deny giving approval to granting the privately owned, for profit company, Environmental Utilities (EU) Wastewater/Sewer Project, owned by Jack Boyer, on Little Gasparilla Island.

Charlotte County Utilities should be in charge of this project.

Jack Boyer's company is a newly established company, with no experience in this business.

If it is anything like his Little Gasparilla Island run water Co., we islanders are "afraid to death" of it. He charges each home \$80 plus dollars a month, before using any water, which is an additional charge. Please deny his request
