**Re: Docket No. 20210015-EI, Petition for rate increase by Florida Power & Light Company**

Dear Mr. Silagy:

In response to your Test Year Notification Letter, dated January 11, 2021, the Florida Public Service Commission (Commission) has opened Docket No. 20210015-EI for Florida Power & Light Company's (Company) forthcoming general base rate increase proceeding. It has been noted that the Company proposes to utilize a projected 12-month test year period ending December 31, 2022, for the permanent rate increase proceeding, as well as a subsequent year adjustment based on a projected 12-month period ending December 31, 2023. Although, please be advised that the appropriateness of the selected test years may be an issue in the proceeding. In addition, the Company has requested authority for Solar Base Rate Adjustments in 2024 and 2025.

It is my understanding that the Company intends to make its filing no earlier than March 12, 2021, in order to be in compliance with Rule 25-6.140(1), Florida Administrative Code (F.A.C.). If the Company is unable to file by March 31, 2021, it must notify the Commission in accordance with Rule 25-6.140(3), F.A.C.

If you have any questions or concerns regarding this matter, please contact Andrew Maurey, the Director of the Division of Accounting and Finance at (850) 413-6465.

Sincerely,

A handwritten signature in blue ink that reads "Gary F. Clark".
