**Subject:** sewers in Cape Haze

Sirs:

As a property owner in Cape Haze, FL, I am writing to protest the application by Environmental Utilities to install sewers in Cape Haze and the barrier islands adjacent to our community. We do not need sewers since we are a community with a low population density whose septic tanks have NOT shown any evidence of pollution in our local waterways.

When it is time for sewers to be placed in our community, we need a company with a strong financial position-not a start-up Mom and Pop operation that cannot even tell us how much we will pay or whether those financially burdened would be able to pay over time.

Please reject this application.

Yours truly,  
Penelope B. and Sheldon C. Rieley  
510 Green Dolphin Dr. S.  
Placida, FL 33946
