State Certified General Contractor EC13004251 (813) 677-2605 Fax

PROPOSAL SUBMITTED TO:		PHONE: 407-468-3268	DATE: April 26, 2019
NAME: Mid County Utilities, Inc.		JOB NAME: Mid County Lift Station #4 Diesel Standby Generator Installation	
STREET: 200 Weathersfield Avenue		STREET: 28795 US Highway 19	
CITY/STATE/ZIP: Altamonte Springs, FL 32714		CITY: Clearwater	STATE: FL
CONTACT NAME: Mike Wilson, Regional Manager		EMAIL: mawilson@uiwater.com	

We propose to provide all necessary labor, material, and equipment to install 42kW Diesel Standby Generator at Lift Station #4.

Work to Proceed as Follows:

- 1) Provide submittal data/shop drawings for tank, equipment and materials.
- 2) Form and pour new concrete slab for generator.
- 3) Supply and install new concrete post and rack system to install ATS for generator.
- 4) Supply and install all necessary electrical conduit and wire from existing electrical service to new Automatic Transfer Switch and Generator.
- 5) Supply and Install new Kohler Model 40REOZK EPA 42KW Certified Diesel Standby Generator Set 277-240volt/3phsae/60Hz UL2200 with 4P5X Alternator including the following:
 - APM402 Controller which meets NFPA 110
 - 186mph Wind Load Rated Sound/Aluminum Enclosure with Critical Silencer
 - 48hour 229 Gallon UL142 Subbase Fuel Tank with Fuel Water Separator
 - 240volt 3phase 4pole 100amp Model KEP-DMVF-0100S-MM Nema 4x Service Entrance Rated Automatic Transfer Switch with External Battery Module, MPAC Heater and Surge Protection
 - Unit Mounted Radiator with 120volt 1000watt Block Heater
 - Line Circuit Breaker 3pole 100% 60amp T/M with Shunt Trip, Generator Heater, Battery Rack and Cables, Lead Acid Starting Battery, 10amp Battery Charger
 - Remote Annunciator Panel, Remote Emergency Stop-Break Glass
 - Certified Factory Test at 0.8 P.F.; 4 Engine/Parts/Maintenance Manuals, Internal Vibration Isolators, 1 Year Standard Warranty,
 - Initial Startup and Check of System and On-Site Load Bank Testing
 - 5 Year Comprehensive Warranty
- 6) Provide 229gallons Diesel Fuel

QUOTE – Work to be completed in accordance with the above specifications for the sum of Sixty-Five Thousand Six Hundred Seventy-One Dollars and 00/100 cents (\$65,671.00) with Terms: Net 15 Days.

NOTES:

- 1) Does not include any permits or permit fees. To be provided and paid by owner.
- 2) This proposal is based on all onsite cut material being useable for structural/pavement areas and trench backfill.
- 3) Any adjustments/removal or location/relocation of existing utilities, which may conflict with proposed work not included.

All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs, will be executed only upon written orders, and will become an extra charge over and above and estimate. All agreements are contingent upon strikes, accidents or delays at beyond our control. This proposal subject to acceptance within 15 days and is void thereafter at the option of the undersigned. Delinquency charges of 1½% per month will apply for all delinquent invoices. Collection fees for delinquent accounts, including attorney/collection agency fees and expenses incurred by Environmental Equipment Sales, Inc. are the responsibility of the customer.

ACCEPTANCE OF PROPOSAL

The above prices, specifications, and conditions are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.
