PLEASE READ INSTRUCTIONS AND IMPORTANT INFORMATION

This notice covers taxes for the calendar year January 1 through December 31 of the year indicated on the reverse side.
Please verify the legal description of the property. If any errors in the description are found, immediately notify
the Marion County Property Appraiser at (352) 368-8300.

- If this notice is for property which you have sold, please forward this notice to the new owner(s) or return it to the Tax Collector's Office immediately. If you have sold a portion of this property, please call our office at (352) 368-8200 to request a revised notice.
- Discounts for early payment have been computed for you on the front side of this notice. ***Please pay only one amount.*** If paying by mail, the amount due is determined by **POSTMARK** date through March 31 each year. Please retain the top portion of this notice for your records. Your taxes are not paid until your payment clears the bank. Post dated checks are not accepted.
- On or after April 1, the amount due is determined by the date your payment is **RECEIVED** by the Tax Collector's Office, not the postmark date. On or after May 1, personal or business checks are not accepted. Payment must be in Certified U.S. Funds only.
- Taxes and Assessments are due November 1 and become delinquent the following April 1. Once delinquent, the law imposes 3% interest plus advertising costs on all unpaid Real Estate taxes. Tax Certificates will be sold on all unpaid Real Estate parcel accounts on or before June 1, resulting in additional charges. All unpaid Tangible Personal Property taxes will accrue interest at 1½% per month, plus advertising costs and fees. Tax Warrants will be issued on unpaid Tangible Personal Property parcel accounts, which could result in the seizure and sale of your Tangible Personal Property.
- If you received a notice with "DO NOT PAY" printed across the bottom, this is a duplicate notice. A mortgage company has requested your original notice. If your taxes are not escrowed through a mortgage company you may submit payment with the "DO NOT PAY" notice. If your taxes are escrowed and you received the original notice, contact your mortgage company immediately to request they submit payment timely.

TANGIBLE

Tangible Personal Property is everything other than real estate that has value by itself used in a business or to earn income such as furniture, fixtures, tools, machinery, etc. A \$25,000 exemption is available but you must timely file a Tangible Personal Property Tax Return with the Marion County Property Appraiser's Office by April 1 to receive the exemption and avoid penalties. If you received a Tangible Personal Property tax notice for property you no longer own, but you were the owner on January 1 of the tax year, you are still responsible for the taxes. If you did not own the Tangible Personal Property on or before January 1 of the tax year, please contact the Property Appraiser at (352) 368-8300 or visit their website of www.pa.marion.fl.us.
