Chris,

I trust that this e-mail finds you and yours well. I just need to have your written approval to continue with our billing as the existing contract had an October 2020 end date (attached). With your response approval to this email correspondence, I'd propose we continue with the previously-agreed upon amount of \$5,000/month through October 2021. Please note that this is a continuation of the decreased fee amount. It's our pleasure to work with you and the team. If this proposal meets your approval, please respond confirming same.

Thank you,

Ron
