Re: Docket 20210034-EI, Petition for Rate Increase by Tampa Electric Company

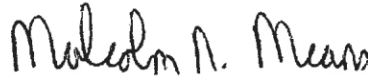

Dear Mr. Teitzman:

Attached for filing in the above-referenced docket are ten USB drives containing electronic copies of Tampa Electric Company's ("Tampa Electric" or "the company") minimum filing requirement ("MFR") schedules. The MFRs are included as Microsoft Excel files with formulas intact. These electronic copies are submitted in accordance with Rule 25-6.043(1)(h) of the Florida Administrative Code.

These electronic copies match the documents that the company electronically filed on April 9, 2021, with certain exceptions. These changes are described in a table which is included as Attachment 1 to this letter.

This letter confirms Tampa Electric's compliance with Rule 25-6.043(1)(h) of the Florida Administrative Code. Thank you for your assistance in connection with this matter.

Sincerely,

Malcolm N. Means
