CUSTOMER COMMENTS
I don't approve of that much of a rate hike based on the system itself. The water pressure is absolutely horrible and has been since I've lived in Sunny Shores for over 12 years. I don't even flush the toilet in the morning during early hours before 9:00 AM. NO pressure during dinner hours for dishes. All of my faucets have corroded as well because the lines are so old here and have never been replaced. Improvements in lines and water pressure might justify a small increase but not as they are currently.
