Dear Commissioner

Please say no to Florida Power & Light.

They already disregard state law in relation to HB 1159, Section 2, and operate seemingly without regulation.

Now, after merging with Gulf Power, they want a \$1.1 BILLION increase to "continue to focus on delivering low-cost energy."

They can't focus with only \$100 million?

I focus on MY job as a high school teacher to disabled students without even a \$100,000 increase.

Please say "NO."

Thank you,

Susan Kooiman
