Dear Public Service Commission,

As a resident of Florida, I urge you to decline FPL's rate increase petition, which would create an unnecessary and excessive burden on utility customers at a time when many Floridians can least afford to pay more for their unavoidable daily expenses.

FPL is trying to charge customers like us for a range of projects we do not want or need. FPL does not need to spend billions of our dollars to build redundant fossil fuel units, rebuild an already-sufficient transmission system, and give their shareholders a raise.

Please do not put FPL's desire to maximize profits over our need to power our homes affordably. If you didn't pay your CEO'S such outrageous Salary you would not have to raise our rates. The people of Florida are tired of Corporations that put profits over people.

2020 \$24M James L. Robo Chairman, President and CEO of NextEra Energy and Chairman of FPL in 2019 \$22M

2020 \$9M Eric E. Silagy as President and CEO of FPL at NextEra Energy in 2019 \$8M

2020, \$8M John W. Ketchum President and CEO of NextEra Energy Resources at NextEra Energy in 2019 \$6M

2020 \$5M Charles Sieving VP Nextra & FPL in 2019 \$5M

2020 \$4M Rebecca Kujawa VP &CFO Nextra & FPL in 2019 \$3M

2020 \$6M Manoochehr Nazar President of Nuclear Division

Thank you!

Sincerely,
Victoria Olson
