Subject: Docket No. 20210015-EI

Hello Commission Members:

I am writing to share my concerns regarding FPLs latest attempt to raise rates. As a retiree, I have seen most recently, an increase in my Health Care Insurance Costs ~ 30%, Home Owners Insurance \$800 over the past year, including refuse & water utility increases.

I think that is enough.

If FPL doesn't want to do it anymore let's start a community utility where profits for individuals is not a part of.

I do not support an FPL increase and am requesting that this committee not approve any increases.

Thank You,

Judy Volpe
