

6/24/2021

I have heard about the request to raise our FPL rates. As a retired 80 year old Florida resident (I just moved from Maine, another FPL state) my wife and I cannot afford any more than a 3% cap on inflationary costs. My social security has already been stolen by the government politicians and my annual SSA increased only 1% last year!

Please do not approve Docket No 20210015-EA
