

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

DOCKET NO. 20210015-EI

Petition for rate increase by Florida Power & Light Company.

WITNESS: Direct Testimony of Rhonda L. Hicks

Appearing on behalf of the Staff of the Florida Public Service Commission

DATE FILED: July 6, 2021

1 DIRECT TESTIMONY OF RHONDA L. HICKS

2 Q. Please state your name and address.

3 A. My name is Rhonda L. Hicks. My address is 2540 Shumard Oak Boulevard;
4 Tallahassee, Florida; 32399-0850.

5 Q. By whom are you employed and in what capacity?

6 A. I am employed by the Florida Public Service Commission (PSC or Commission) as
7 Chief of the Bureau of Consumer Assistance in the Office of Consumer Assistance &
8 Outreach.

9 Q. Please give a brief description of your educational background and professional
10 experience.

11 A. I graduated from Florida A&M University in 1986 with a Bachelor of Science degree
12 in Accounting. I have worked for the Commission for 35 years, and I have varied
13 experience in the electric, gas, telephone, and water and wastewater industries. My
14 work experience includes rate cases, cost recovery clauses, depreciation studies, tax,
15 audit, consumer outreach, and consumer complaints. During the course of my career
16 at the Commission, I have testified in numerous dockets involving varied industries
17 regulated by the Commission. I currently work in the Bureau of Consumer Assistance
18 within the Office of Consumer Assistance & Outreach where I manage consumer
19 complaints and inquiries.

20 Q. What is the function of the Bureau of Consumer Assistance?

21 A. The bureau's function is to resolve disputes between regulated companies and their
22 customers as quickly, effectively, and inexpensively as possible.

23 Q. Do all consumers, who have disputes with their regulated company, contact the Bureau
24 of Consumer Assistance?

25 A. No. Consumers may initially file their complaint with the regulated company and

1 reach resolution without the bureau's intervention. In fact, consumers are encouraged
2 to allow the regulated company the opportunity to resolve the dispute prior to any
3 Commission involvement.

4 Q. What is the purpose of your testimony?

5 A. The purpose of my testimony is to advise the Commission of the number of consumer
6 complaints logged against Florida Power & Light Company (FP&L) and Gulf Power
7 Company (Gulf Power) under Rule 25-22.032, Florida Administrative Code,
8 Consumer Complaints, from June 15, 2016, through June 15, 2021. My testimony will
9 also provide information on the type of complaints logged and those complaints that
10 appear to be rule violations.

11 Q. What do your records indicate concerning the number of complaints logged against
12 FP&L and Gulf Power?

13 A. From June 15, 2016, through June 15, 2021, the PSC logged 4,111 complaints (2,852
14 Service and 1,259 Billing) against FP&L and 440 complaints (115 Service and 325
15 Billing) against Gulf Power.

16 Q. What have been the most common types of complaints logged against FP&L and Gulf
17 Power?

18 A. During the specified time period, approximately sixty-nine (69%) percent of the
19 complaints logged against FP&L involved quality of service issues while
20 approximately thirty-one (31%) of the complaints involved billing concerns.
21 Conversely, the PSC logged more complaints against Gulf regarding billing (74%)
22 than quality of service (26%.)

23 Q. Do you have any exhibits attached to your testimony?

24 A. Yes. I am sponsoring Exhibits RLH-1, RLH-2, RLH-3, and RLH-4.

25 Q. Would you explain Exhibits RLH-1 and RLH-3?

1 A. Yes. Exhibits RLH-1 and RLH-3 are listings of billing complaints logged against
2 FP&L and Gulf Power under Rule 25-22.032, Florida Administrative Code. The
3 complaints, received June 15, 2016 through June 15, 2021, were captured in the
4 Commission's Consumer Activity Tracking System (CATS).

5 Q. Would you explain Exhibits RLH-2 and RLH-4?

6 A. Yes. Exhibits RLH-2 and RLH-4 are listings of service complaints logged against
7 FP&L and Gulf Power under Rule 25-22.032, Florida Administrative Code. The
8 complaints, received June 15, 2016 through June 15, 2021, were also captured in the
9 Commission's Consumer Activity Tracking System (CATS).

10 Q. What is a Close Code and/or a Close Type?

11 A. A Close Code is an internal categorization code. It is assigned to each complaint once
12 staff completes its investigation and a proposed resolution is provided to the consumer.
13 If a complaint is not assigned a Close-Out Code, the complaint remains under
14 investigation. A Close Type is a brief description of the Close Code.

15 Q. How were most FP&L and Gulf Power complaints received during June 15, 2016,
16 through June 15, 2021, resolved or closed?

17 A. A review of the exhibits indicate that Commission staff closed the majority of the
18 logged complaints as GI-72/72 Hour Close Outs.

19 Q. Can you explain the Close-Type GI-72?

20 A. Yes. FP&L and Gulf Power participate in the Commission's Transfer-Connect (Warm
21 Transfer) System. This system allows the Commission to directly transfer a customer
22 to the company's customer service personnel. Once the call is transferred, the utility
23 provides the customer with a proposed resolution. Customers who are not satisfied
24 with the company's proposed resolution have the option of recontacting the
25 Commission. One of the benefits of a utility participating in the Warm Transfer

1 System is that *any* complaint can be resolved within 72 hours as long as the customer
2 is satisfied with the proposed resolution. If the customer accepts the company's
3 resolution to the complaint, the complaint will not be reported in the number of
4 complaints shown for that company in the PSC's Complaint Activity Report, which is
5 published on the PSC's website. However, all of the information is retained for the
6 PSC to perform its regulatory obligations.

7 Q. How many complaints logged against FP&L and Gulf Power were resolved within 72
8 hours?

9 A. FP&L and Gulf Power resolved 3,381 (82%) and 281 (64%) complaints within 72
10 hours, respectively.

11 Q. Exhibits RLH-1 and RLH-3 indicate that Commission staff closed a vast amount of
12 complaints as GI-25/Improper Billing. Does this Close-Out Code of GI-25/Improper
13 Billing indicate that FP&L and Gulf Power improperly billed customers?

14 A. No. The Close-Out Code of GI-25/Improper Billing, is a general code that
15 encompasses all billing issues that don't involve a High Bill concern. It would involve
16 issues such as, late fees, disconnect charges, meter reading charges, or any other
17 billing concern except High Bills. Complaints that may be potential violations of
18 Commission rules have Close-Out Codes that begin with EB- or ES-.

19 Q. What are some of the complaints logged against FP&L and Gulf Power.

20 A. Commission staff logged complaints about repairs, outages, tree trimming, and delays
21 in connection, high bills, deposits, and tariffs.

22 Q. How many of the complaints listed on your exhibits has staff determined may be a
23 possible violation of Commission rules?

24 A. Of the 4,111 complaints logged against FP&L, staff determined that seven appeared to
25 be violations of Commission rules, while nine of Gulf Power's 440 logged complaints

appeared to be violations of Commission rules.

Q. What was the nature of the apparent rule violations?

A. The apparent rule violations were related to matters such as meter issues, billing the wrong customer, disconnections during the complaint process, and payments not being posted.

Q. How are apparent rule violations addressed by Commission staff?

A. The complaint is noted with the apparent violation Close Code and any trends are shared with the appropriate Commission staff to determine if immediate action is needed. In addition, complaint activity is always reviewed during any rate proceeding.

Q. Does this conclude your testimony?

A. Yes, it does.
