**Subject:** We Can't Afford Higher Rates from FPL

Commissioner Gabriella Passidomo,

I am writing as a concerned Florida resident and customer of Florida Power & Light (FPL). I received notification that FPL intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

Some of us are on fixed incomes and have been taking a real hit with the total lack of interest on what used to be our savings income so....

I urge you to reconsider this rate increase.
