**STAFF'S TWELFTH DATA REQUEST**  
*VIA EMAIL*

Re: Docket No. 20210034-EI – Petition for rate increase by Tampa Electric Company

Docket No. 20200264-EI – Petition for approval of 2020 depreciation and dismantlement study and capital recovery schedules, by Tampa Electric Company.

Greetings:

By this letter, the Commission staff asks that Tampa Electric Company (TECO) provide responses to the following data requests:

1. Please confirm whether the proposed tariff sheet No. 6.400 (GSLDTSU) is an optional tariff. If so, please update the tariff sheet to reflect this status.
2. Referring to Exhibit K of the Settlement Agreement and TECO's response to staff's sixth data request No. 8, please confirm that the residential rate class is getting allocated 78 percent of the total increase (for Year 1 total increase, Year 2 GBRA increase, and Year 3 GBRA increase). If not, please state the correct percent and explain.
3. Referring to TECO's response to staff sixth data request No. 4 (arguments for 4 CP, No. 8), please expand on the statement that the "4 CP methodology may incent RS customers to install additional customer-sited solar."
4. Referring to TECO's response to staff sixth data request No. 4 (arguments for 4 CP, No. 10), please explain in more detail why the 12 CP methodology does not attribute the costs of solar generation to customer classes as efficiently as the 4 CP methodology.

Staff's Eleventh Data Request

October 1, 2021

Please file all responses electronically no later than Thursday October 7, 2021, via the Commission's website at [www.floridapsc.com](http://www.floridapsc.com), by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6191 if you have any questions.

Respectfully,

*/s/Charles W. Murphy*
