DOCUMENT NO. 12077-2021
FPSC - COMMISSION CLERK

Docket No. 20210101-SU – Request to establish a regulatory asset to recover appellate costs, by K W Resort Utilities Corp.

Issue 1: Should the Commission grant KWRU's motion for appellate rate case expense and to treat such expense as a regulatory asset?

Recommendation: The Commission should approve KWRU's request to establish a regulatory asset for the accounting purpose of recording the deferral of costs associated with appellate rate case expense. The approval to establish a regulatory asset, for accounting purposes, does not limit the Commission's ability to review the amounts, recovery method, recovery period, and other related matters for reasonableness in a future proceeding in which the regulatory asset is included.
