COMPLAINT INFORMATION

Complaint: Other Complaint against Gulf Power Company

Details:

It is my understanding that Gulf Power is ending the Energy Select Program in January. I have been using this program for 5 years and do not wish to see it end. I've done the math and it has definitely helped me save on my power bill! FPL energy prices in the Panhandle are obscene and are continuing to rise. PLEASE DO NOT ALLOW THE ENERGY SELECT PROGRAM TO END!

COMPLAINT INFORMATION

Complaint: Other Complaint against Gulf Power Company

Details:

I understand Gulf Power (soon to become FPL) intends to end the Energy Select program. This program provides a reasonable means of controlling our electricity costs and its termination will undoubtedly result in increased costs beyond previously announced rate increases.

Respectfully request FPL honor and continue this program.
