NOTICE OF PROPOSED AGENCY ACTION  
ORDER APPROVING BELLSOUTH TELECOMMUNICATIONS, LLC  
D/B/A AT&T FLORIDA'S RELINQUISHMENT OF  
ELIGIBLE TELECOMMUNICATIONS CARRIER DESIGNATION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission (Commission) that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

**Background**

On October 12, 2021, BellSouth Telecommunications, LLC d/b/a AT&T Florida (AT&T Florida or Company) filed a petition with this Commission for relinquishment of its Eligible Telecommunications Carrier (ETC) designation for its service areas in Florida, effective February 15, 2022. AT&T Florida is an incumbent local exchange carrier (ILEC) in Florida. On October 14, 1997, we designated AT&T Florida as an ETC in its ILEC service territory pursuant to 47 U.S.C. 214 (e)(2) and Section 364.10(2), Florida Statutes (F.S.) (1997).<sup>1</sup> An ETC designation is a requirement for telecommunications carriers to receive funding support from the federal Universal Service Fund for the Lifeline and High-Cost programs. The Lifeline program enables low-income households to obtain and maintain basic telephone and broadband services by offering qualifying households a discount on monthly bills. The High-Cost program helps carriers provide voice and broadband service in remote and underserved communities.

---

<sup>1</sup> Order No. PSC-97-1262-FOF-TP issued October 14, 1997, in Docket No. 970644-TP, *In re: Establishment of eligible telecommunications carriers pursuant to Section 214(e) of the Telecommunications Act of 1996*, and Docket No. 970744-TP, *In Re: Implementation of changes in the Federal Lifeline Assistance Plan currently provided by telecommunications carriers of last resort*.

In 2014, the Federal Communications Commission (FCC) restructured the High-Cost program and launched the Connect America Fund Phase II auction (CAF II), which provided funding by census blocks rather than larger areas such as wire centers.<sup>2</sup> The FCC implemented this change to ensure that high-cost support reaches its targeted areas and is not used to support broadband in areas where the subsidy is not needed. AT&T Florida accepted CAF II support and was required to retain ETC designation in the CAF II census blocks for the duration of the funding term and to offer Lifeline discounts to eligible customers who reside in those census blocks.

On July 24, 2017, we granted AT&T Florida's petition for partial relinquishment of its ETC designation for the census blocks in its service area where it did not participate in the CAF II program.<sup>3</sup> AT&T Florida will not receive CAF II support in its remaining Florida ETC service territory after December 31, 2021. In 2020, the FCC replaced the model-based CAF II support program with the Rural Digital Opportunity Fund (RDOF).<sup>4</sup> AT&T Florida did not participate in the RDOF auction and, therefore, will no longer receive any federal High-Cost universal service support in Florida after December 31, 2021.

AT&T Florida states that our approval of its petition will not affect the availability of AT&T Florida's legacy voice services in Florida. The Company will continue to offer and provide legacy voice services, complying with federal and state law, and any applicable service obligations across its entire service territory, including the relinquishment area.

As of June 2021, AT&T Florida had 65 Lifeline customers in Florida. AT&T Florida will no longer receive federal High-Cost universal service support in Florida. In addition, AT&T Florida accepted forbearance from the FCC of its obligation to offer a Lifeline discount on broadband Internet access service after December 31, 2021.<sup>5</sup> While this forbearance is not directly related to the current AT&T Florida relinquishment petition, it does further shrink the market it serves through the federal Lifeline program. To complete its withdrawal from the Lifeline market, AT&T Florida is requesting relinquishment of its ETC designation in Florida.

We are vested with jurisdiction in this matter, pursuant to Section 364.10, F.S., 47 U.S.C. §214(e)(4), and 47 C.F.R. §54.205.

<sup>5</sup> AT&T Notice for Forbearance from Lifeline BIAS Requirements, *In the Matter of Lifeline and Link Up Reform and Modernization*, WC Docket No. 11-42, filed July 29, 2021 (filing effective January 1, 2022).

### **Decision**

An ETC may relinquish its ETC designation pursuant to 47 C.F.R. §54.205(a), which provides that:

A state commission shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the state commission of such relinquishment.

In approving a relinquishment, state commissions must require the remaining ETCs to ensure that existing customers will continue to be served. 47 C.F.R. §54.205(b), provides that:

Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the state commission shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier. The state commission shall establish a time, not to exceed one year after the state commission approves such relinquishment under this section, within which such purchase or construction shall be completed.

AT&T Florida identified in its petition all of the designated ETCs currently serving its service territory by wire center. Our staff sent a data request to each ETC in AT&T Florida's service area to verify the ETC designation of the company and to confirm it is providing service in the wire centers identified by AT&T Florida. Our staff compared the responses to ensure that customers in the relinquished area would continue to have Lifeline service available. While our staff's review concluded some discrepancies in the number of ETCs offering service in each wire center, customers in the area AT&T Florida seeks to relinquish ETC designation will continue to have Lifeline service available from one or more ETCs (Attachment A).<sup>6</sup>

In its petition, AT&T Florida has asserted that its Lifeline customers will receive ample notice of the need to select another ETC to continue receiving a Lifeline discount. The customers will receive this notice, at least 60 days prior to the relinquishment date, explaining that AT&T Florida will no longer offer a Lifeline discount, and if the customer does not choose another Lifeline provider they will be charged standard prices (including applicable surcharges, fees, and taxes) for their existing AT&T Florida services.

---

<sup>6</sup> Our staff disagrees with the number of ETCs identified by AT&T Florida offering service in many wire centers. Specifically, our staff understands that the following ETCs will continue to offer Lifeline in AT&T Florida's territory in whole or in part: Assurance Wireless (T-Mobile), WOW! (Knology of Florida, LLC), SafeLink Wireless (TracFone Wireless, Inc.), Phone Club, and T-Mobile.

AT&T Florida will also send a second notice and a bill message at least 15 days prior to the relinquishment date. All notices will provide each customer instructions about communicating with the remaining ETCs in the area to discuss Lifeline benefits offered by those ETCs. The notices will also provide information on how to contact the Universal Service Administrative Company for a list of other ETCs in the state. In addition, AT&T Florida will stop enrolling customers in the Lifeline program on December 1, 2021, or within five (5) days after the Commission's Order is final, whichever is later.

After reviewing AT&T Florida's petition and the responses to the ETC data requests, we have verified there will be one or more ETCs remaining in AT&T Florida's service area. Therefore, Lifeline service will continue to be available to customers residing within the relinquishment area if AT&T Florida's petition is granted. We find that AT&T Florida has met the 47 C.F.R. §54.205 requirements to relinquish its ETC designation in its service area. Therefore, we hereby approve AT&T Florida's petition for relinquishment of its ETC designation.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Bellsouth Telecommunications, LLC d/b/a AT&T Florida's request to relinquish its Eligible Telecommunications Carrier designation in Florida is hereby approved. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that if no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, this docket should be closed upon the issuance of a Consummating Order.

By ORDER of the Florida Public Service Commission this 14th day of December, 2021.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing that is available under Section 120.57, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

The action proposed herein is preliminary in nature. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, in the form provided by Rule 28-106.201, Florida Administrative Code. This petition must be received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on January 4, 2022.

In the absence of such a petition, this order shall become final and effective upon the issuance of a Consummating Order.

Any objection or protest filed in this/these docket(s) before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.
