Subject: Docket #20200226-SU

This letter is in reference to the proposal to incorporate a private sewer company on Palm Island. As a property owner (290 Kettle harbor Dr), I'm concerned about the cost that will be mandated for hook up to a Private company, that will have a lifetime Monopoly over the price we pay monthly. This price, I'm sure will be Way above and beyond what the mainland property owners pay for county owned sewer. This is not fair! The cost for hook up and destruction of our yard and beautiful landscaping will be more out of pocket costs. Costs, not within monthly budgets.

I'd also like to mention, this private company, that wants a monopoly on our services, has NEVER, had a sewer company. This is a disaster..waiting to happen. And I predict the county will have to come in and clean it all up when shit hits the fan.
