Subject: RE: Docket #20200226-SU

Good Afternoon, David W Adams,

We will be placing your comments below in consumer correspondence in Docket 20200226-SU and forwarding them to the Office of Consumer Assistance and Outreach.

Thank you.

Lisa Smith

Commission Deputy Clerk I
Office of the Commission Clerk
Florida Public Service Commission

Subject: RE: Docket #20200226-SU

Dear Commissioners:

This is a supplemental notice from David Adams. I own property at 8356 Little Gasparilla Island. I just received the email below.

As you can see from the message below, the hookup cost for a Charlotte County Septic to Sewer project is \$11,500 per residence, which is payable interest free over twenty years. I would like PSC staff to investigate whether EU is willing to match the hook up price and finance the hook up fee interest free over twenty years, like Charlotte County has done with other conversions.

Thank you,

David Adams

Subject: RE: Little Gasparilla proposed Sewer project

Good Afternoon,

Could you please clarify your below request? Are you looking for the cost of connection for our septic to sewer MSBUs (ex: El Jobean and Ackerman areas) or in general? Homes not in MSBUs have different connection fees.

The cost for connection in the El Jobean and Ackerman MSBUs was \$11,500 per equivalent residential connection (ERC). This assessment is on the tax bill for 20 years (\$575 per year for 20 years).

Thank you,
