Subject: Increased electric rates

To whom it may concern,

You should all be ashamed of yourselves for letting FPL raise the rates on the citizens of Florida after they took over Gulf Power. With so many people out of work because of the pandemic and elderly on fixed incomes, you still chose to approve these rate hikes. Rates increased 2 and 3 times the norm. Unacceptable!

P. Hoppe

"If there must be trouble, let it be in my day, that my child may have peace." - Thomas Paine
