Governor Ron DeSantis Commissioner why are You standing by and Allowing Floridians to be Financially RAPED n victimized? We are freezing in our own homes in Fear of the Outrageous FPL Shenanigans!! You sit in your warm mansion why don't you try going without heat like we Floridians are doing?  
Not to mention your Allowing homeowners insurance companies to jump so high we are being faced with losing our homes. My insurance was just under \$1k in 2020 my mortgage payment was \$502 a month... As of today my insurance is right at \$3k n has pushed my mortgage payment to \$1003. I only get \$1011 with my SSD. I've worked hard to be a homeowner n for 16 yrs... Now I'm facing losing it all n homeless. I have far too many health issues to try n start over again. You Mr. DeSantis, have All Floridians looking to you as our governor!! I have supported your shenanigans but your lack of concern for us Floridians has now pushed

Beyond reality!! I can no longer Support you as a Governor or Any elected official!! You should be ashamed of yourself for not showing Floridians you got our backs! You don't deserve to be a Governor when your allowing families to Freeze in our own homes n causing us to lose our homes for the high cost in Homeowners insurance. ☹️ I wonder who is lining your wallets that you would sell Floridians out like this!!  
Get READY Floridians are pissed n we are not taking this lightly... Your seats will be vacated Sooner than later as we voter's Stand United!!!
