Subject: RE. Docket #20200226-SU

I am a property owner on little gasparilla island.
I oppose EU's waste water proposal on little gasparilla island and would like PSC to deny their application.
EU has no experience building a sewage infrastructure.
LGI is privately owed and EU does not have rights on private property.
No information has been provided by EU to property owners regarding how they intend to preform this work or what they will do when problems arise.
Thank you,
Janice Schroder
