Do something!!!! Florida Power & Light is crushing us.

Our bills have more than doubled and tripled the only change is FPL taking over. I called and asked for an explanation all they could say is it's cold outside. This is all bull crap. If you are responsible you better figure out how to fix this. The people of NW Florida cannot survive this. After all that been done to put us down buy the democrats and Biden. Now this. How much more and we take. If you want to keep your job **Do Something!!!!** This needs to be fixed now!!!
