**Subject:** Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

We, the people, cannot afford this rate increase, especially at this time. After being hit by hurricane Michael and the Pandemic, we are poor, exhausted and absolutely feel take advantage of. You are degrading our quality of life. Shame on you. I suggest you look at some of those compensation packages you freely hand out to your higher-ups. At least start there. This should not be the American way.

Thank you,

Jenn Womack
