Subject: Docket #20200226-SU Palm Island Sewers

Dear Commissioners,

I am a resident of Palm Island at 420 S. Gulf Blvd. It is my sincere hope that you accept the PSC recommendation to deny the ridiculous sewer project on Palm Island. How you could even consider such a convoluted solution is beyond my comprehension. If you want sewers on Palm Island, the County should put in the sewers. Considering the ridiculous property taxes the residents of Palm Island pay, I would think the County would be able to manage this project and put in a proper sewer system. The solution you are proposing is insane!
