BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Review of Storm Protection Plan pursuant to Rule 25-6.030, F.A.C., Florida

Public Utilities Company

DOCKET NO. 20220049-EI

Filed: May 31, 2022

FLORIDA PUBLIC UTILITIES COMPANY'S NOTICE OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION

Pursuant to Rule 25-22.006(3), Florida Administrative Code, Florida Public Utilities Company ("FPUC") hereby files this Notice of Intent to Request Confidential Classification ("Notice of Intent") for certain information contained in the Testimony and Exhibits of Kevin J. Mara, submitted today on behalf of the Office of Public Counsel ("OPC") in the instant docket. The documents contain proprietary confidential information consisting of detailed location information of key structures and system information regarding FPUC's facilities on Amelia Island. This information, at this level of detail, is treated by the Company as confidential, as disclosure of this information presents significant security concerns. Release of the referenced information as a public record would substantially increase the risk of physical or cyber harm to FPUC's business operations and ratepayers by impairing its ability to effectively and safely provide service to customers on the island. Thus, the information meets the definition of "proprietary confidential business information" as set forth in Section 366.093(3)(c), Florida Statutes.

Again, FPUC treats the information in these documents as confidential, and the information therein has not otherwise been publicly disclosed. Disclosure of this information publicly would harm FPUC's ability to negotiate with power providers and would be contrary to express contractual terms. Given that FPUC did not have Mr. Mara's testimony and exhibits until after

4:00 p.m. today, the Company will provide a copy of the referenced confidential documents by hand delivery tomorrow. It is, however, our understanding that this is the same information for which FPUC requested Confidential Classification in this same docket on May 17, 2022. FPUC asks these documents be afforded confidential treatment pending the filing of a Request for Confidential Classification and a Commission ruling thereupon, in accordance with Rule 25-22.006(3)(a) and (d), Florida Administrative Code.

RESPECTFULLY SUBMITTED this 31st day of May, 2022,
