COMPLAINT INFORMATION

Complaint: Other Complaint against Florida Power & Light Company

Details:

Received new bill from FP&L. New charge of \$16.01 on top of base charge of 8.99, \$26.08. This new charge is a minimum usage charge. I believe that I am being targeted for being a solar power user. This company is a regional monopoly. The public have no choice but to use FP&L. They can raise rates as they chose with no possible recourse from the consumer.

If they want to save money, maybe they should stop paying their CEO and board members tens of millions of dollars.

Maybe we need a movement in Florida to make public utilities owned by the public again. Maybe we can eliminate the corporate greed.
